

PERFORMANCE PROTECTANTS & CLEANERS

The world's first UV-screening treatment, 303® sets the industry standard for UV protection on virtually any surface. 303® Protectant™ was created for the aviation/aerospace industry to protect rubber and plastics against UV and ozone degradation.

303® specialised cleaning and protection products are designed and formulated to be used on a wide-range of surfaces including all rubber, vinyl, plastic, fabric and leather materials.

303® Fabric Guard™ is the recommended fabric protection product of Sunbrella who are the largest manufacturer of outdoor and weather resistant materials in the world.

PERFORMANCE PROTECTANTS & CLEANERS

303® AEROSPACE PROTECTANT™

The most powerful UV screening formula ever developed with a SPF 40, regular use of 303® Aerospace Protectant™ provides 100% prevention of UV caused slow-fade.

303® Aerospace Protectant™ is non-toxic, silicone free and biodegradable. Lasts 4 to 10 times longer than other products. Water repellent so it doesn't wash off. Prevents drying and cracking and keeps rubber, vinyl and plastic items pliable and supple. Restores lost colour and lustre.

Gives outstanding results on dashboards, tyres, rubber seals, vinyl and finished leather upholstery, steering wheels, plastic bumpers and clear vinyl windows. Applications across the vehicle's interior and exterior.

303® PROTECTANTS & CLEANERS ARE THE COMPLETE CARE SOLUTION FOR YOUR VEHICLE

303® SPEED DETAILER™

An easy, effective and safe way to clean, brighten and protect. Removes dust and fingerprints. Perfect as a quick touch up between polishes. Will not streak or haze. No abrasives, non toxic, non flammable and odour free.

303® MULTI SURFACE CLEANER™

Powerful concentrated cleaner delivers spectacular results, even for the heaviest cleaning jobs without caustic chemicals or solvents. Safely brightens and rejuvenates most surfaces and fabrics. Cleans all indoor and outdoor fabrics, carpet and upholstery. Rinses completely away, residue free. Can be used full strength or diluted with water. Safe for ALL water-safe materials. Removes difficult stains including oil, ink, grease, wine, dirt and blood.

303® SPOT CLEANER™

Safely removes even the most difficult stains. Rinses completely away, residue free. Lifts and suspends oil, grease and dirt to be easily wiped/rinsed away. Cleans cars, trucks, boats, degreases motors, machinery, equipment, garage floors, doors, upholstery and carpets. Removes the toughest stains. Cleans anything water will not damage.

303® FABRIC GUARD™

Powerful enough to protect both indoor and outdoor fabrics. 303® Fabric Guard™ is safe for the finest fabrics. 303® Fabric Guard™ restores lost water repellency and stain repellency to factory new levels. Unbeatable protection against soiling, water-based and oil-based stains. Impedes mildew formation.

303® TONNEAU & CONVERTIBLE TOP CLEANER™

Utilises a unique "colloidal" action to lift and suspend oil, grease, tree sap, bird droppings and dirt. 303® Tonneau & Convertible Top Cleaner™ does not contain soap, detergents, nitrates or caustics. Safe and extremely effective and leaves no residue. No abrasives, non toxic and non flammable.
